**RESPONSE TO RESTRICTION REQUIREMENT**

Commissioner for Patents  
PO Box 1450  
Alexandria, VA 22313-1450

Sir:

In response to the Office Action mailed June 6, 2007, the Applicant makes the following elections. Regarding the restriction requirement, the Applicant elects Group I, with claims 1-24 readable thereon, without traverse. Regarding the election of species requirement, the Applicant elects Species A, with claims 1, 2, 5, 17 and 19 readable thereon, with traverse.

The Applicant respectfully traverses the election of species requirement on the grounds that the Examiner has not (1) provided reasons why the inventions as claimed are distinct beyond a different structural layout for similar elements; (2) explained why the inventions must be restricted on the basis of (a) separate classification, (b) separate status in the art, or (c) a different field of search.

Respectfully submitted,

STAAS & HALSEY LLP
